In-Kind of Gift in Kind Donations

Do you have a service, materials or product that we will need to build and start the New Mandir? In-Kind Donations are accepted for a number of services and items including (but not limited to) Grading and Landscaping, Building and Construction, Décor and Furnishings, Information Technology as well as Sound and Lighting. In kind donors will be honoured for the value of their donation on the Memorial Wall.

Volunteer to help Build the New Mandir

Countless hours are needed from volunteers at all levels and stages during the fundraising, ground breaking, building and opening phases. Supporters, their families and friends can volunteer their skills or trades as well as volunteer for one of our committees, or any of the events we host throughtout the year. To volunteer contact any of the executive members or Bhai Raj at the number below. Certificates for Volunteer hours are available upon request.

To discuss In-Kind Donations or Volunteer options please contact Bhai Raj Ramkissoon – Vice President **519-222-7314**
